

Fantastic Pictures of Animals

Have a look at some of the illustrations of animals that have been done over the centuries. You'll find all sorts of different styles of representing animals. Sometimes, artists just had to work from spoken descriptions of the animals they were drawing – not easy!

Have a go at doing some of your own fantastic historical pictures of animals you know.

Work with a partner. Don't tell your partner which animal you are describing. Just describe it and see how their picture turns out.
