

Why not build a garden for wildlife?

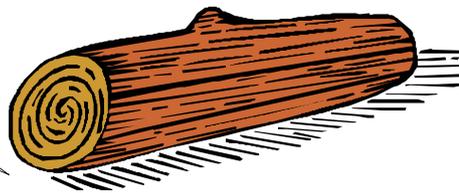

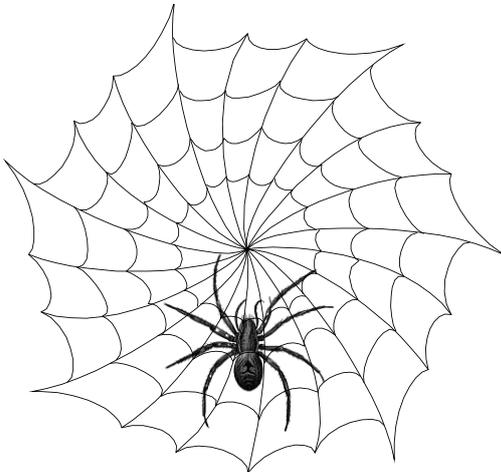

What would you need? Think of all of the things that would help give animals what they need.

T.....
are great to
nest in.

B.....
are great to
hide in.

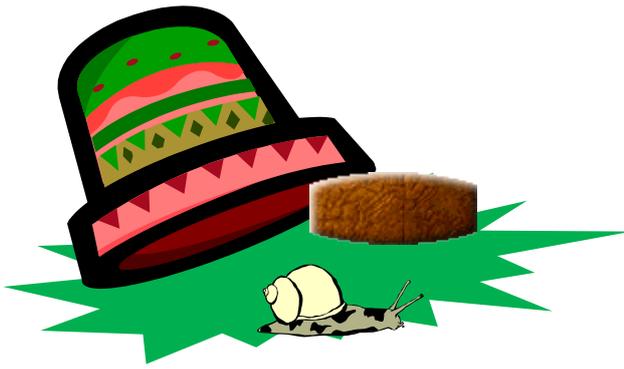

B.....
are good to
eat.

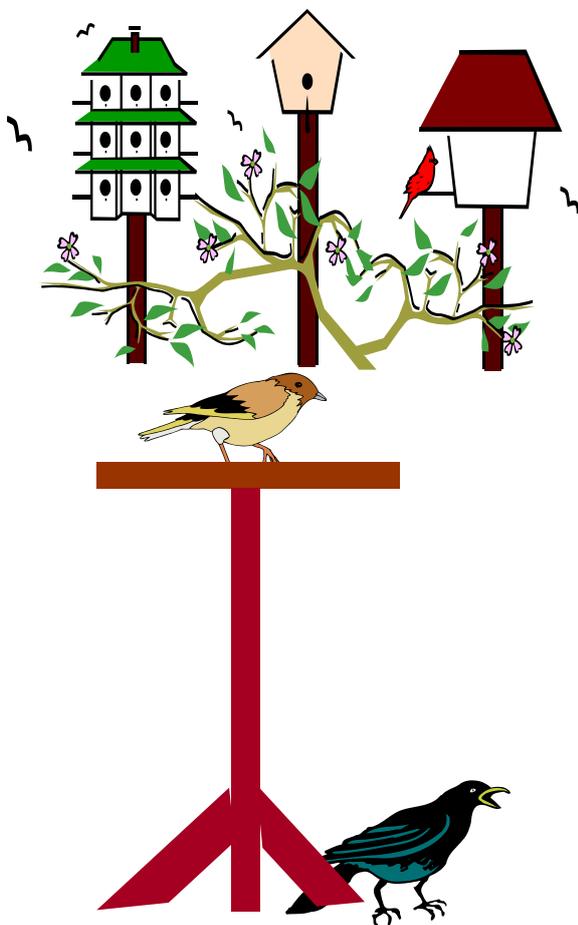

S..... loops
Help spiders. (Tie
thin twigs on trees
into loops to hold webs.)

L.....
are great for
insects and birds.

P.....
are great for
all wildlife!

Prop up some plant pots to make homes for **S**..... to hide in.

Bird **b**..... are great for helping birds to nest around your school.

Bird **t**..... are good for feeding the birds in the winter.

Plant lots of wild **f**..... for insects to find.
