

Citizenship 6 Key stage 2 - Who else looks after animals?

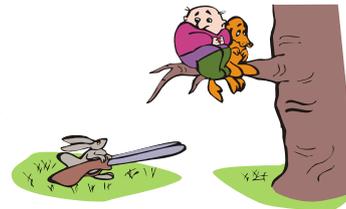

How do YOU feel? There are lots of animal welfare issues to think about.

Do some research and then have a class debate about some of the following topics:

- **Hunting**

BAGS OF DANGER!

Try **not** to use plastic bags for your shopping.

This is what they can do.

Turtles eat plastic bags. They think they are jellyfish.
The bags kill them.

<http://speakupforthevoiceless.org/tag/plastic-bags/>

Whales eat them.

**Seabirds swallow them.
They also become tangled
in them.**

To the best of our knowledge, these images are public domain.

You might want to think about other issues, e.g. leaving dogs in hot cars, disturbing baby birds, fireworks, etc.

In your group or class, plan out a display that you could do for the rest of the school.

Display Plans:
