

Designing A Book Cover

Try to design a new cover for a book you have read. Any book will do. You could use functions such as 'Publisher' or something similar.

Choose appropriate fonts, colours and sizes.

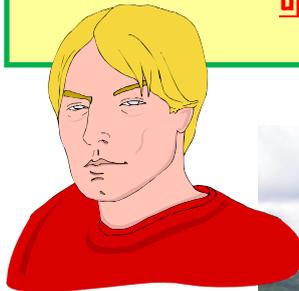

Create your own pictures with an art function, or you could use clip art or cut and paste from the Internet. (Ask your teacher for permission to open the Internet first.)

Jason Hawk Special Operations Agent

Beware! Subject material and some photographs are unpleasant and could be upsetting. They are, however, realistic!

By Graham Temby

This is a copy of the front cover of a book about the work of the RSPCA Special Operations Unit. Find it online at: <http://durhambadgers.org.uk> Education, KS2, English.
