

Summer Fayre

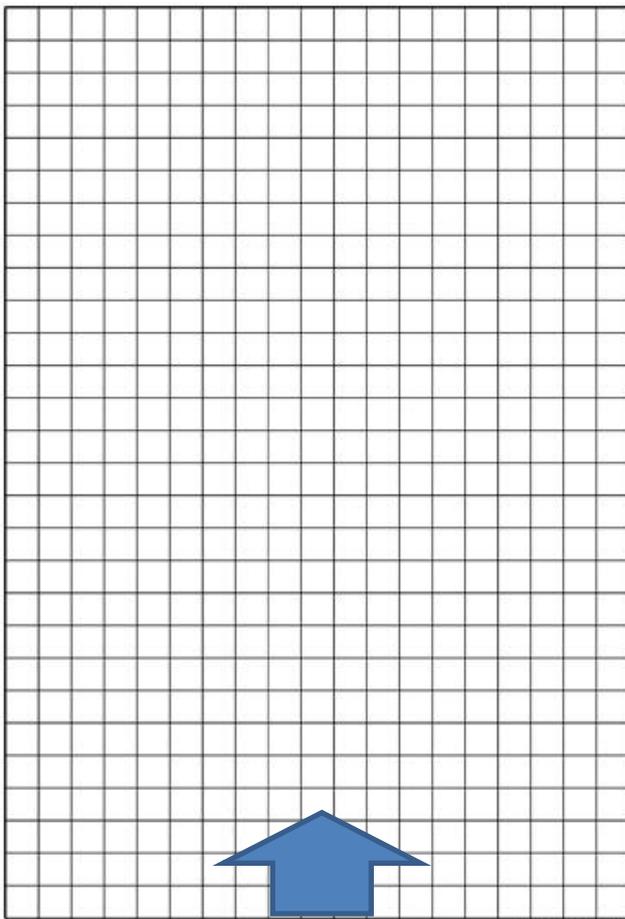

The Badger Group are attending a Summer Fayre. It will be held over two weekends: Saturday 1st and Sunday 2nd, and also Saturday 8th and Sunday 9th.

The Fayre will open at 10am. It will continue until 7pm. Some of the badger group have offered to man the stall over these four days: some in the morning, some in the afternoon and some in the evening.

Design a data-collecting sheet to see how many members will be available for which day/s and time/s. (You only need a tally of numbers for now.)

.....

Some of the stalls at the Summer Fayre will be inside the marquee. There will be thirteen stalls in the marquee. Each stall will be, (to size), 4 squares long and 2 squares wide. (Each square is 50cm x 50 cm.)

How long and how wide is the marquee?

Each stall will need a little space behind it, (say 2 squares), to fit in display boards.

The entrance is shown by the blue arrow.

Can you design a layout for the marquee?

You will need to allow room around the stalls for pedestrians and wheelchairs.
