

Tally and Tot-up 5

Hello, let's have a look at badgers and bits of badgers. No, I'm not going to take a badger to bits! But badgers are not always easy to see - sometimes you just see bits of them as they run for cover in the trees.

1 whole badger.

Half a badger.
1/2

One quarter of a badger.
1/4

Can you work out?

1/2  + 1/2  =

 +  =

How many badgers can you see below:
