

Tally and Tot-up 8

The children of the Badger Group wanted to name the two new cubs that had been born at the sett near to the hide.

All of our cubs are born in February.

The children thought of their favourite names and then voted on the ones they wanted.

Look at the tally chart. Can you complete it? Can you complete the pictogram?

| Name | Tally | Total |
|-------|---------------------|-------|
| Fuzzy | //// | |
| Joey | //// | 5 |
| Annie | //// /// | |
| Lulu | //// / | |

| Name | Symbol |
|-------|-----------|
| Fuzzy | |
| Joey | ■ ■ ■ ■ ■ |
| Annie | |
| Lulu | |

Which two names were chosen? (Remember you need a girl and a boy.)

I rather like the names the children have chosen for our cubs.
